Asking the date

Quelle est la date aujourd'hui? *What the date today?*

How to say the date

C'est + le + number + month

C'est le quatorze juillet. *It's July 14.*

C'est le vingt-cinq août. *It's August 25.*

For the first of the month, use "le premier"

C'est le premier janvier. *It's January 1.*

C'est le premier avril. *It's April 1.*

Two other ways to say the date:

Nous sommes + le + number + month

On est + le + number + month

Nous sommes le quatre mars. *It's March 4.*

On est le cinq septembre. *It's September 5.*

How To Write The Date

To write the date in French, you must reverse the day and month. This is the opposite of the system in the United States.

French System: 6.10.21 - le 6 octobre, 2021

US System: 10/6/21 - Oct. 6, 2021
